BREVARD COUNTY, FLORIDA ANNUAL OPERATING AND CAPITAL BUDGET FOR FY 2019-2020

HOW TO READ AND USE THIS BUDGET DOCUMENT

The Adopted Budget for Brevard County for the Fiscal Year 2019-2020 includes the following major components:

The Budget Message

The Budget Message provides an overview of the Budget, highlights the County's response to the needs of the community and the direction provided by the Board of County Commissioners, and other factors affecting the development of the Budget.

General Information

This section provides general and historical information about the County and its budgets plus basic information about property. A description of the budget preparation philosophy and process, historical information, descriptions of the services provided, and a description of the budget structure and governmental (fund) accounting are included.

Budget and Financial Policies

The Budget and Financial Policies adopted by Brevard County, Board of County Commissioners are provided here.

Financial Indicators and Major Revenues

Brief historical summaries of key financial indicators based on the County's Comprehensive Annual Financial Reports are presented here. Additionally, brief descriptions and histories of the County's major sources of revenue are included.

Budget Summaries

The County's total budget is summarized by revenue sources, appropriations by category, and fund. Also included are Budgeted Employee Positions and charts depicting the summaries.

Department, Office, and Agency Budgets

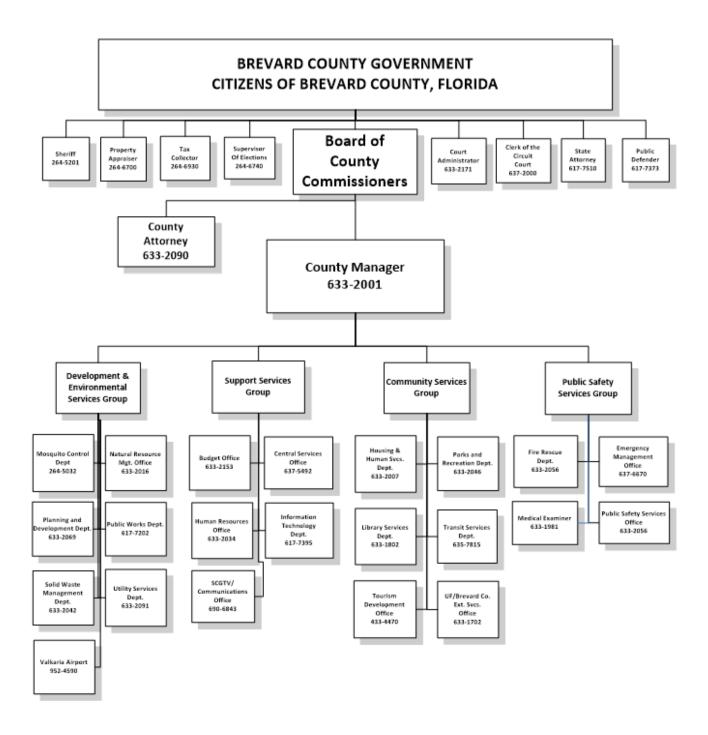

Included in each segment is an organizational/functional chart of each department, office or agency. This is followed by a Departmental Summary, which provides an overview of the Department's mission and budget and a list of the programs provided by the agency. A summary of the Department's budget is followed by Program Profiles of the various programs which comprise the departmental operations. Included in the Program Profile is a summary of the budget for that program and a listing of the major services included in the program. Also included are performance measures, major service level impacts (if any), listings of proposed travel, capital outlay and budgeted capital improvement projects. The various departments, offices or agencies are presented in alphabetical order within several broad categories which include: Board of County Commissioners directed agencies; the operating agencies which comprise the Charter Officers of the County; the operating entities which comprise the County-funded portion of Court Operations; and the Outside Agencies which comprise the subordinate component units of the County government of Brevard County, Florida, as well as those private agencies which provide services which might otherwise be direct functions of the County.

Capital Improvement Program

The County's detailed CIP is provided here.
