TRANSPORTATION AND SPECIAL NEEDS REGISTRY AGREEMENT (Section F)

I understand that a Special Needs Shelter does not provide beds, cots, or lifts, and that I should plan to bring my own, and that assistance will only be provided for the duration of the evacuation and in the event I am not able to return to my home that I will be responsible for any additional transportation/hospital expenses. I understand Emergency Management will determine if any emergency evacuation assistance will be provided. I understand that power is not guaranteed, due to unforeseen power fluctuations or power failures.

Upon order or recommendation to evacuate, if I have requested transportation, I will receive advance notice, by phone, of the date and time to expect to be picked up for transport to a shelter. If I decline transportation when a transporter arrives, I understand that I may not have another opportunity to obtain this service.

I grant permission to medical providers, transportation agencies, and others as necessary to provide care and disclose any information necessary to respond to my needs. I certify that this information is correct to the best of my knowledge. My caregiver (if one is assigned) will be present during my stay at the shelter.
