Sand Slime

Supplies

- ½ cup School Glue or Washable Glue
- ¼ cup Liquid starch
- ½ cup Water
- Sand

Optional Supplies

- Seashells
- Tiny Parasols
- Plastic Gems
- Pail and Shovel

Directions:

1. In a bowl, mix ½ cup of glue with ½ cup of water. Stir until well combined.
2. Add 3 tablespoons of sand into the bowl and mix. Add more sand if desired.
3. Add in liquid starch and stir until well combined. The slime should pull away from the sides and bottom of the bowl as you stir.
4. Knead the slime with your hands until you reach your desired consistency!

Optional: Add in seashells or parasols to your slime for extra beach fun! You can also put in plastic gems or sequins and bury them in your slime to uncover hidden treasure.

To store, put your slime in a clean, reusable plastic or glass container.
