

# Brevard County Libraries

We are shaking things up a bit with our  
Summer Reading Program 2021!

In this week's Craft Packet, our theme is the Forest! Create an adorable paper plate fox using the provided materials in your bag.

Craft Packets can be picked-up at any branch within Brevard County and are available for curbside service.

All Craft Packets are developed to be take-home based projects. Some supplies, such as glue, tape, scissors, and crayons or markers will not be provided by the library and will be listed as 'Home Supplies.'

Storytime, STEAM, Craft, and Teen Packets developed by the Youth Services Department

# Paper Plate Fox

## Supplies in Bag

Paper plate, cardstock, and one black pom-pom.

## Home Supplies

Scissors, Glue and markers or paint.

## Directions:

This activity is intended for you to do at home with your family.

1. Color or paint the inside of the paper plate the main color you'd like your fox to be.
2. Fold over the edges of the plate with one end forming a point, and the other making a V shape.
3. Glue down the folds you made in step 2.
4. On the pointed end of the paper plate, glue on a black pom-pom to make the nose.
5. Give your fox eyes.
6. On a piece of cardstock, draw and color two pointy ears.
7. Cut out the ears you made in step 6, then glue to the back of the plate to complete your fox.
