

COUNTY MANAGER SUMMARY

MISSION STATEMENT:

To provide professional leadership which effectively and efficiently implement the Board of County Commissioners policies and directives, which maximizes the productivity of County's workforce and resources, strategically planning for the future while ensuring a high quality of life for the residents, businesses, and visitors.

PROGRAMS AND SERVICES:

ACCOMPLISHMENTS, INITIATIVES, TRENDS AND ISSUES AND SERVICE LEVEL IMPACTS:

County Manager:

- Implements and manages all of the Board of County Commissioners policies and directives to provide sound management of County programs and finances
- Provides executive leadership to County government, which maximizes the productivity of the County's workforce and resources, while strategically planning for the future
- Oversees the development and implementation of a balanced operating and capital improvement budget, for the County's fiscal year that begins October 1, 2020 and ends September 30, 2021 that ensures transparent and stable public services and programs
- Serves as the liaison with the Sheriff, Judiciary, State Attorney, Public Defender, Property Appraiser, Supervisor of Election, and Clerk of the County and Circuit Courts, municipalities, business and private interests and others on issues of mutual concerns
- Oversee and monitors the County's economic development initiatives
- Coordinates the preparation of the agendas for the Board of County Commissioners' meetings and workshops, and develops an annual calendar for meetings and workshops.
- Coordinates the Legislative activities of the County Commission

Accomplishments:

- Addressed critical countywide infrastructure maintenance and repair needs, to include deferred facilities maintenance
- Prioritized the funding for maintenance, drainage, reconstruction and enhancement of the County's road systems, addressing the backlog of roads classified as "at risk" and accomplished the completion of 74 miles of road resurfacing and 12 miles of road reconstruction
- Completed 23 projects that removed over 25,000 pounds of nitrogen and nearly 2,700 pounds of phosphorus from the Indian River Lagoon
- Approval of funding for 43 new or substitute projects in the Indian River Lagoon 2020 Plan
- Developed planning tools to facilitate growth projections for potential treatment plant expansion

- Completed the gravity sewer assessment of all 8 to 12-inch pipes in the South Beaches, Merritt Island and Port St. John service areas
- Lean Six Sigma initiatives: trained 15 employees in the Lean Six Sigma methods of process improvements and they're conducting 9 Lean Six Sigma projects to improve County services to our citizens and businesses
- Added 2 paratransit routes to meet demand for additional senior and disabled transportation
- Refinance certain existing County debt for a lower interest rate and achieved net present value saving of \$2.3 million

Initiatives:

- Continue to promote inclusiveness and responsiveness and nurture and provide a transparent environment
- Continue to address funding for maintenance, drainage, reconstruction and enhancement of the County's road system
- Continue to undertake critical countywide infrastructure maintenance and repair needs, including deferred facilities maintenance
- Continue to accelerate Indian River Lagoon restoration by leveraging local sales tax dollars with matching funds from local, State and Federal partners
- Adapted County's operations to current C D C guidelines for COVID-19 safety measures to provide for social distancing, convenient curbside services, virtual meetings, and flexible scheduling
- Implemented a rental and mortgage assistance program and a food stability program for individuals and households impacted by the COVID-19 public health emergency
- Added 3 fixed routes to meet the demands of ridership and improve the distance between vehicles

Trends and Issues:

- Continue the improvement in water quality and clarity of the Indian River Lagoon
- Develop a multi-faceted effort to improve sanitary sewer system maintenance and performance to reduce discharge to the Indian River Lagoon
- Continue monitoring the COVID-19, public health emergency on County services to residents and businesses
- Support economic recovery initiatives for those impacted by the COVID-19 public health emergency
- Continue to allocate funding to those agencies with critical and deferred maintenance requirements
- As the County gets closer to the end of the five-year road program, we will begin the process of transitioning from 71 miles of annual road resurfacing and construction to preventative maintenance and pavement preservation

- Continue refinement of the Indian River Lagoon clean-up initiatives, maintaining and adjusting the plan to address changes in revenue collections
- Completed site plan development and identify funding to begin construction of a new County Emergency Operation Center

Service Level Impacts:

Not Applicable
