SUBJECT:		Growth Management Advisory Board/Proposed by Dr. Ron Bobay						
DEPT/OFFICE:								
Requested Action:								
Establish a Growth Management Advisory Board to the County Commission and Municipalities								
Summary Explanation & Background:								
<p>A "Growth Management Advisory Board" to be established. All municipalities and the County would be required to participate. Each entity would have one (1) representative. The vote of each representative would be equal to the percentage of residents within their jurisdiction. Adhoc members would be represented as follows: School Board, Canaveral Port Authority, Tourist Development Council, and Space Coast Transportation Planning Organization. The purpose would be to develop a coordinated Comprehensive Plan for Brevard County (currently the County and Municipalities are responsible for their own plan and this would continue). The recommendations would be non-binding but would provide framework for regional planning.</p>
